Mrs. Maryam (W/O Mr. Rashid Bhika-Late),

It is awful to hear about the passing of **Mr. Rashid Bhika**. He was very close to Shaheed Hakim Mohammed Said and was inspired by the Faculty of Eastern Medicine at Hamdard University Pakistan. Afterwards, he established the **Ibn Sina Institute of Tibb** in Johannesburg and played a vital role in the development of the Department of Eastern Medicine at the University of Western Cape in South Africa.

He was a lifetime member of the Pakistan Association for Eastern Medicine (PAEM) and the International Association of Unani Medicine (IAUM) and attended every International Conference.

His books were a great addition to the field of Tibb e Unani.

His demise is a great loss for Tibb e Unani and for all professionals related to this field.

We all are with you in this hard time and pray for Mr. Rashid Bhika to get higher ranks in Jannah.

Warm Regards,

Hakim Abdul Hannan
