Deepest

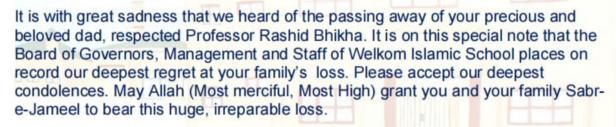

Sympathy...

Our beloved brother Zain Bhikha Laudium Pretoria 4 December 2023

Our Valued Brother Zain

Assalamualaykum

## Sincere Condolences

Rashid Bhai's return to the Mercy of Allah will surely leave a huge vacuum in all our lives. His contributions extend beyond his academic achievements made, especially regarding the inroads and the research contributions that he made at the School of Natural Medicine at UWC. He was a philanthropist par excellence.

Allah (SWT) has most certainly chosen His beautiful rose for His Garden. I am reminiscent of meeting him on Sundays at the CIS Masjid-e-Noor after his regular tennis game. May Allah (SWT) grant him a lofty abode in Jannah and may Allah brighten his resting place with infinite Nur.
